## FOR IMMEDIATE RELEASE

### **Construction to begin at Steel Bridge Road on SR 299**

**REDDING** – The California Department of Transportation (Caltrans) will begin construction of right and left turn pockets on State Route 299 at Steel Bridge Road, east of Weaverville. Construction start is tentatively scheduled for July 23, 2007 and will continue through the Fall.

The purpose of this project is to enhance safety and improve operational features of the highway. The contractor for this \$1 million project is R. Brown Construction of Willow Creek. During construction motorists can expect up to 6-minute delays and traffic controlled by flaggers and pilot cars when necessary.
